**Notes to the audited financial results for the Quarter ended 31st March, 2017**

1. As on 31st March 2017, the current liabilities exceed the current assets by Rs 132,838.84 lakhs. Due to non-fulfillment of its obligations under CDR package the company exited from CDR mechanism. in the meeting of CDR EG, held on 29th September 2016, As Company's accounts became Non Performing Assets ("NPA") all long term borrowings have been classified as current liabilities. The management has evaluated the impact of CDR exit and is of the view that there would not be any material impact of the same on the financial results.
2. The Company has received a communication from Andhra Bank and Indian Bank informing absolute assignment and transfer of all its debts and securities etc to Asset Reconstruction Company (India) Limited (ARCIL). In view of the negotiations with ARCIL for restructuring of debts, the company has decided not to provide interest of Rs. 1,202.64 lakhs for the quarter ended March, 2017 and has also decided to write-back interest of Rs. 3,451.68 lakhs for the period from 1st April, 2016 to 31st December, 2016, during the current quarter. As a consequence of this the interest amounting to Rs. 4,654.32 lakhs for the year ended 31st March, 2017 has not been provided.
3. Against Company's claim for eligibility of capital subsidy under SIP Scheme of Government the High Court of Delhi issued order dated 3rd July 2015 directing concerned authority to re calculate the eligibility as per company's claim with in a period of four weeks from the date of the order. Aggrieved with the order, the concerned authority filed an appeal with the Double Bench of High Court of Delhi. Double Bench of High Court of Delhi upheld the order of the single bench vide order dated 10th April, 2017. However, pending communication regarding further appeal and approval of the company's claim by the Department of Information Technology, the management is of the view that claim of subsidy shall be accounted for on final settlement.
4. Being an Export Oriented Unit, the Company needs to achieve positive NFE during a period of 10 years from the start of commercial production. Till date company spent Rs. 159,774.66 lakhs in foreign currency for Raw Material consumption; Stores & Spares and Expenses in forign currency including amortization of all imported Plant and Machinery and the Company could earn in foreign currency equivalent to Rs. 182,937.00 lakhs as per para 6.9(f) of FTP resulting into positive NFE Rs. 23,162.34 lakhs. In case company also amortize value of Line-C till date (commercial production is yet to start) our NFE will become negative to the extend Rs. 2,034.71 lakhs.
5. Despite significant downturn in global market and as a result of several initiatives by Government of India, the domestic market has been showing an upturn resulting in Company getting orders and hence continuing of commercial production. Based on the current orders in hand (approx.59 MW), the Company expects to operate at the significant level of capacity utilisation till July 2017, favorable decision of Double bench of the High Court of Delhi in relation to the Company's eligibility for certain capital incentive, management believes that there is no impairment in respect of the carrying value of its fixed assets including capital work in progress as at 31st March 2017 and that it is appropriate to prepare the accounts on a going concern basis.
6. The Company has only one single primary business segment viz. manufacture and sale of Photovoltaic Solar cells. Therefore, the disclosure requirements of Accounting Standard - 17 "Segment Reporting" specified under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 are not applicable.
7. The above results were reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on 27th May 2017. The same has been filed with the stock exchange and is available on the website of the Company.

**Auditor's Report on Quarterly Financial Results and Year to Date Results of Indosolar Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**To,**
**The Board of Directors of Indosolar Limited**

1. We have audited the quarterly financial results of Indosolar Limited ("the Company") for the quarter ended March 31st 2017, and the financial results for the year ended March 31st 2017, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015. These quarterly financial results are the derived figures between the audited figures in respect of the year ended March 31st 2017 and the published year-to-date figures up to December 31st 2016, being the date of the end of the third quarter of the current financial year, which were subject to limited review. The financial results for the quarter ended March 31st 2017 and year to date ended March 31st 2017 have been prepared on the basis of the financial results for the nine-month period ended December 31st 2016, the audited annual financial statements as at and for the year ended March 31st 2017, and the relevant requirements of Regulation 33 of the SEBI ( Listing Obligations and the Disclosures Requirements) Regulations, 2015 and are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these financial results based on our review of the financial results for the nine- month period ended December 31, 2016 which was prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS) 25, "Interim Financial Reporting", specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India; our audit of the annual financial statements as at and for the year ended March 31st 2017 and in compliance with the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

3. Attention is invited to the following developments as explained in detail in the notes to the financial results:

ARUN K. GUPTA & ASSOCIATES
CHARTERED ACCOUNTANTS
NEW DELHI

*a) The Company has continued to incur significant losses in the current quarter and in the year to date resulting in further erosion of its net worth which had already been fully eroded during the year ended 31st March 2014.The Company's current liabilities exceeds the current assets by Rs. 1,32,838.85 lakhs as on 31st March 2017. The Company's short term borrowings and other current liabilities as at 31st March 2017 include balances payable to various lender banks amounting to Rs. 5,209.26 lakhs and Rs.1,27,627.54 lakhs respectively. These lender banks have exited from Corporate Debt Restructuring (CDR) Cell vide its letter dated 4th November, 2016. However, in absence of requisite information from the banks, we are unable to comment upon the possible impact of such exit on the carrying value of aforesaid short term borrowings, other current liabilities as at 31st March 2017 and interest expense (including penal interest, if any) for year ended 31st March 2017 and the consequential impact on the accompanying statement.*

*b) The company's claim of it being eligible for certain capital incentives may be further disputed by the Department of Information Technology before the Honorable Supreme Court and the outcome will be known upon the conclusion of the litigation. Also refer Note 3 to the Financial Statements.*

*c) The company has not been able to meet its commitment to Special Economic Zone on the basis of which the company imported certain raw material, stores and spares and machineries without payment of custom duty even after considering the DTA sale of Rs 3864.89 lakhs for which company had filed an appeal before the relevant authorities to consider the DTA sale for calculation of NFE under para 6.9 (f) of Foreign Trade Policy (FTP) in place of para 6.8 of the FTP. If the appeal is accepted the NFE as on 31st March, 2017 would be negative by Rs 2034.71 lakhs. Also refer note 4 to the Financial Statements.*

*On the basis of the overall evaluation of the above factors and considering the domestic content requirements and expression of interests issued by certain Public Sector Units, procurement of recent orders and favorable decision of the High court of Delhi in relation to the company's eligibility for certain capital incentive, the Company's continuing efforts to settle with the banker's and sale of the Company's loan by two of the lenders to Asset Reconstruction Company (India) Limited management believes that there is no impairment in respect of the carrying value of its fixed assets including capital work in progress as at 31st March 2017 and that it is appropriate to prepare the accounts on a going concern basis. In our view, the full erosion of net worth, inability of the company to meet its certain material liabilities and commitments, the fact that the impact of the government decisions would be known only in future, the uncertainty of outcome of claims, impact of exit from the Corporate Debt Restructuring (CDR) Cell and uncertainty on the ability of the company to meet its export obligations create material uncertainties. Therefore, the quantum of impairment in*

ARUN K. GUPTA & ASSOCIATES CHARTERED ACCOUNTANTS *respect of carrying value of fixed assets including capital work in progress cannot be determined at present. Consequently material uncertainties exist regarding the use of going concern assumption in preparing the Statement.*

4. *During the year two secured lenders have assigned their outstanding dues to an Assets Reconstruction Company (India) Limited (ARCIL) aggregating to Rs 35,034.42 lakhs. Pending finalization of terms of assignment the company has not provided for interest of Rs 1,202.64 lakhs for the quarter ended 31st March 2017 and has also written-back interest of Rs 3,451.68 lakhs provided in the earlier three quarters i.e. 1st April 2016 to 31st December 2016, during the quarter ended March 2017. As a consequence to this, interest of Rs 4,654.32 lakhs for the year ended 31st March 2017 has been under provided Had the Company provided the interest on such assigned loans, there would have been loss of Rs 1,413.48 lakhs instead of profit of Rs 3,240.84 lakhs for the quarter ended 31st March 2017 and the losses, and the current liabilities and Reserves & Surplus (debit balances) for the year ended March 2017 would have been higher by Rs 4,654.32 lakhs.*

5. Based on our review conducted as explained in paragraph 1 and 2 and subject to our observations in paragraph 3 which highlight material uncertainties, the impact of which is currently not ascertainable including the ability of the company to continue as a going concern ,and our observation in paragraph 4 above regarding non provision of interest , in our opinion and to the best of our information and according to the explanations given to us, these quarterly financial results as well as the year to date results:

    i. are presented in accordance with the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirement) Regulations 2015 in this regard; and

    ii. give a true and fair view of the net profit for the quarter and net loss for the year ended March 31st 2017.

Consequently, material uncertainties exist regarding the use of going concern assumption in preparing the Statement.*

4. *During the year two secured lenders have assigned their outstanding dues to an Assets Reconstruction Company (India) Limited (ARCIL) aggregating to Rs 35,034.42 lakhs. Pending finalization of terms of assignment the company has not provided for interest of Rs 1,202.64 lakhs for the quarter ended 31st March 2017 and has also written-back interest of Rs 3,451.68 lakhs provided in the earlier three quarters i.e. 1st April 2016 to 31st December 2016, during the quarter ended March 2017. As a consequence to this, interest of Rs 4,654.32 lakhs for the year ended 31st March 2017 has been under provided Had the Company provided the interest on such assigned loans, there would have been loss of Rs 1,413.48 lakhs instead of profit of Rs 3,240.84 lakhs for the quarter ended 31st March 2017 and the losses, and the current liabilities and Reserves & Surplus (debit balances) for the year ended March 2017 would have been higher by Rs 4,654.32 lakhs.*

**Management Comment:**

1. **Management is unable to estimate the impact:** Considering the domestic content requirements and expression of interests issued by certain Public Sector Units, procurement of recent orders and favorable decision of the High court of Delhi in relation to the company's eligibility for certain capital incentive, the Company's continuing efforts to settle with the banker's and sale of the Company's loan by two of the lenders to Asset Reconstruction Company (India) Limited management believes that there is no impairment in respect of the carrying value of its fixed assets including capital work in progress as at 31st March 2017 and that it is appropriate to prepare the accounts on a going concern basis.

2. **Management's estimation on the impact of audit qualification:** In view of the negotiations with ARCIL for restructuring of debts, the company has decided not to provide interest of Rs. 1,202.64 lakhs for the quarter ended March, 2017 and has also decided to write-back interest of Rs. 3,451.68 lakhs for the period from 1st April, 2016 to 31st December, 2016, during the current quarter. As a consequence of this the interest amounting to Rs. 4,654.32 lakhs for the year ended 31st March, 2017 has not been provided.

**Auditor's Comments on Management Comments:**

In our view, the full erosion of net worth, inability of the company to meet its certain material liabilities and commitments, the fact that the impact of the government decisions would be known only in future, the uncertainty of outcome of claims, impact of exit from the Corporate Debt Restructuring (CDR) Cell and uncertainty on the ability of the company to meet its export obligations create material uncertainties. Therefore, the quantum of impairment in respect of carrying value of fixed assets including capital work in progress cannot be determined at present. Consequently, material uncertainties exist regarding the use of going concern assumption in preparing the Statement.
